Gross Income	11,908,948	11.80%	10,817,290	11.88%

Discussion on continuity of any extra ordinary gain–loss:

Khan Brothers PP Woven Bag Industries Ltd. is a 100% export oriented industry and everybody know, Corona Virus Covid-19 pandemic and Russia-Ukraine war affected all over the world specially in Europe country and that is our main export market. Due to world market crisis of export orders declined, as a result negative impact reflected on revenue on the financial statements for the year ended 30th June 2023.

Basis for related party transaction:

There are transactions with related parties carried out in the normal course of business in accordance with the requirements of IAS 24 Related Party Disclosure in note no. 31.00 of the financial statements.

Explanation about significant variance occurs between Quarterly Financial performance and Annual Financial Statements:

There was no significant variance between the quarterly and Annual Financial Statement.

Directors also report that:

The Directors are responsible for the governance of the Company, and in that capacity, the Directors confirm, to the best of their knowledge that–

- I. the financial statements, prepared by the Management of the Company, present fairly its state of affairs, the result of its operations, cash flows and changes in equity;
- II. proper books of account of the Company have been maintained;
- III. appropriate accounting policies have been consistently applied in preparation of the financial statements and that the accounting estimates are based on reasonable and prudent judgments;
- IV. the IAS, IFRS, The Companies ACT 1994, the Securities and Exchange rules,2020 and other applicable laws and regulations have been followed in preparation of the financial statements;
- V. the system of internal control is sound in design and has been effectively implemented and monitored;
- VI. there is no doubt, whatsoever, upon the Company’s ability to continue as a going concern.
- VII. Minority shareholders have been protected from abusive actions by, or in the interest of, controlling shareholders acting either directly or indirectly and have effective means of redress.
- VIII.No bonus share or stock dividend has been or shall be declared as interim dividend.

Ability to Continue as going concern:

As per IAS-1 paragraph 26 ‘In assessing whether the going concern assumption is appropriate’. Due to world wide spread of COVID-19 pandemic and Russia-Ukraine war export of the company declined to a great extent. Thereafter it is very difficult to restore the export market. To overcome this situation and the better interest of the shareholders company decided to operate the factory on contract basis producing wpp bags required by other industries at cost plus profit for the time being. During the financial year 2022-2023 the company was able to provide services and earned service revenue worth Tk. 1009.41 lac. Since the company is an export oriented company, management is trying to regain the export market and also side by side to continue rendering services to other companies to improve the profitability and financial strength of the company in future.

Company invested Tk. 300.00 lac to Peoples Leasing and Financial Services Ltd.(PLFS) in 2017 which could not be encashed due to financial incapability of PLFS. It is well known to all concerns that, some of the members of the previous Board of Directors of Peoples Leasing and Financial

Services Ltd.(PLFS) misappropriated the money of the depositors, resulting financial insolvency. The financial organization is not capable to repay the depositors money. Govt. has reconstituted the Board of Directors of PLFS and the present Board of Directors of PLFS assured the investors to refund their deposited money gradually in a meeting held on 19th November 2022. If any depositor wants may convert their deposit into share capital of PLFS. Our company will give option for refund the deposited amount of Tk.3.00 crore. If the money is refunded by PLFS there no possibility of financial loss of Khan Brothers PP Woven Bag Industries Ltd. Hence, management think that it is not wise to make any provision for bad and doubtful debts in the books of accounts during the income year 2022-2023. In other cases, management may need to consider a wide range of factors relating to current and future expected profitability, debt repayment schedules and potential sources of financing for Balancing, Modernization, Replacement and Expansion of the existing PPE to satisfy itself that the going concern is appropriate.

On the above circumstances, it can be said that there is no doubt that the company has the ability to continue as going concern.

Significant deviation from last year:

During the reporting period, very large deviation has been occurred in financial performance from last year. The Company's revenue have increased by Tk. 9.88 million from last year. Gross Profit increased Tk. 1.09 million and Net Loss also have decreased Tk. 11.74 million respectively.

INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF KHAN BROTHERS PP WOVEN BAG INDUSTRIES LTD.

Report on the Audit of the Financial Statements

Qualified Opinion:

We have audited the financial statements of **Khan Brothers PP Woven Bag Industries Ltd.** (the "Company"), which comprise the Statement of Financial Position as at 30 June 2023 and Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

Because of the significance of the matters described in the Basis for *Qualified Opinion section and Matter of Emphasis section* of our report, the accompanying financial statements of the Company *present fairly in all material respects* of the financial position of the company as at 30 June 2023 and its operational performance & cash flows for the year then ended in conformity with the International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs).

Basis for Qualified Opinion:

1. The financial statement shows Inventories of Raw Materials Tk. 553,314,755, and Finished Goods of Tk. 44,145,422 (Total Tk. 597,460,177) as shown under note # 5.00 as on 30 June 2023, which are being carrying forward since last couple of years. Item wise breakup of which have been shown under note # 20.06 & 20.07. During our physical verification of those, we found significant deficiency therein. The amount of deficiency of Raw Materials and Finished Goods would be Tk. 377,875,557 & Tk. 29,162,428 respectively (Total Tk. 407,037,985) as per our calculation. Magnitude of which has been under stated Net loss of the company as well as Inventory, Net Assets and Retained Earning/Equity have also been overstated by the equivalent amount. We were also not provided with any copy of the annual audit report submitted by the office of Bond Commissioner despite of our repeated request though those were bonded stock.
2. The financial statement shows Tk. 140,887,199 against value of 461.5 decimal land in the name of the company under Land and Land Development and Tk. 150,173,388 against WDV of Building and Other Constructions, but we were not provided with any documents, statements, registers of those line items for our verification. During our visit to the factory it revealed that, other two factories in the name of i) Khan Brothers Bag Industries Ltd. and ii) Khan Brothers Marble & Granite Ltd. are established and operating in full swing within the same premises having single and common entry and approach road. As such we were unable to confirm whether the physical as well legal custody of those are lying to the company or not. Management of the company were also unable to provide sufficient appropriate audit evidence together with the original copies of ownership documents, khazna receipts, approved layout plan etc. for our review and satisfaction for providing our opinion, and conclude ourselves that, there are no undetected material misstatements in the financial statement in these regard using alternative approach.
3. The financial statement shows Export Bills Receivable Tk. 62,212,203 as on 30 June 2023

under note # 06, which have been carried forward from the year 2020-21 without any movement, against which no provision for bad debts have been created in the financial statements. Whereas the management were unable to produce us with any communication documents within a couple of year relating to follow up and progress for realization of the amount. Management were also unable to provide sufficient appropriate audit evidence to satisfy ourselves to provide our opinion, and conclude ourselves using alternative approach that, there are no undetected material misstatements in the financial statement in this regard.

4. Cash and Cash Equivalent of the financial statement shows Fixed Deposits of Tk. 30,000,000 in Note # 08, lying with Peoples Leasing and Financial Services Ltd since long, in Note # 08. The scam of that NBFIs is very widely known to all depositors and to the peoples in home and abroad, against which no provision for Impairment loss of the financial instrument have been recognized by the company as per IFRS-9.
5. The company have not paid any VAT and AIT against the Sub-Contact Income during the year according to the VAT Act 2012, Rule 2016 and Income Tax Ordinance 1984 and/Or Income Tax Act-2023. The amount of unpaid VAT on the revenue shown in the Financial Statement during the year under audit would be Tk. $(100,942,193 \times 15\%) = \text{Tk. } 15,141,329$, which is a misstatement as well as non-compliance of the related Acts & Rules We were also not provided with any copy of monthly VAT Return (Mushak-9.1) for the year under audit and annual income tax return.
6. The company have not yet introduced employee provident fund and Gratuity/Compensation benefit as per guideline of Bangladesh Labor Laws/Rules 2015, As such no provision have been made for these purpose, which is a non-compliance and misstatement in the financial statement.

Matter of Emphasis:

1. The company is not maintaining books of accounts, registers etc. properly as per section 181 of the Companies Act-1994, which are the obligation of the management of the company, and also not submitting VAT Returns, Mushak 9.1 and Annual Income Tax Returns regularly which are major noncompliance of Companies Act-1994, VAT Act & Rule 2012 and Income Tax Ordinance 1984 and/or Income Tax Act 2023.
2. To the best of our understanding the company is running through subcontract works on cancellation of export orders. Recovery from the finished goods as showing in the financial statements is looking very remote and insignificant. The company is suffering from severe working capital crisis which has laid down the company's dependency on the related party subcontract works. All those have ultimately created going concern threats to the company though the financial statement of the company has prepared by considering it as a going concern, but we were not provided with any written management plan to effectuate and ensuring this. Notwithstanding our opinion on the financial statements, we would recommend to set up proper management plan in this regard ensure going concern of the entity.
3. The financial statement shows Revenue of 100,942,193 during the year under audit from Sub-Contact work of manufacturing bags for the buyers of Khan Brothers Bag Industries Ltd. and realization of Tk. 74,349,794 but we were unable to trace those amount of realization, since those were realized in cash instead of receiving through bank as revealed from the bank statement produced to us by the company. Without modifying our opinion, we would advise the management to use banking channel for the financial transactions.

Other information

Management is responsible for the other information. The other information comprises all of the information included in the Annual Report other than the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRSs) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with International Standards on Auditing (ISAs), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures

that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the company's financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We have not come across any other key audit issue for the year under audit, and as such nothing is reportable.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, the Securities and Exchange Rules 1987 and relevant notifications issued by Bangladesh Securities and Exchange Commission, without modifying our basis for qualified opinion and emphasis of matters, we also report that:

- ▶ We have obtained all the information and explanations except for those mentioned under the basis for qualified opinion and emphasis of matters, which to the best of our knowledge and belief were necessary for the purpose of our audit opinion and made due verification thereof;

- ▶ In our opinion, proper books of accounts, records and other statutory books as required by law except for those mentioned under the basis for qualified opinion and emphasis of matters have been kept by the Company so far as it appeared from our examinations of those books and proper returns adequate for the purpose of our audit;
- ▶ The statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account and returns;
