Assalamualaikum and Very Good Morning

On behalf of the Board of Directors, I welcome you all and take immense pleasure and delight in addressing the 11th Annual General Meeting of the company. I also want to thank you all the honorable shareholders for joining us to make the event successful.

As most are aware, the year ending June 30, 2017 was a very challenging year for the PP Woven Bag Sector in Bangladesh, if not the most challenging to date. Apart from embargo from Bangladesh Government not to use PP Bags for the domestic market we have been facing challenges globally due to World Economic Crisis which still continuing to effect the international market.

Despite significant economic challenges over the year, we have grown, delivering consistent results and creating substantial value for our Shareholders. Furthermore we continued to raise the performance of the company, clearly demonstrated by the success of our efficiency improvement initiative. In spite of various limitations and hindrances, the company had its another successful year in 2017. This could not be possible without your continuous support, conscious suggestion, Boards prudent strategic decision and Management's successful execution for the same with passion and zeal.

I on behalf of the Board would like to express my sincere thanks to the respected shareholders that the confidence has reposed on the Board of the company through the year. I am also grateful to the Bangladesh Securities and Exchange Commission, Dhaka Stock Exchange Limited, Chittagong Stock Exchange Limited, Registrar of Joint Stock Companies & Firms, Central Depository Bangladesh Limited, Banks Insurances and Financial Institutions for their support and patronage extended to the company from time to time.

I embrace your support and seek your co-operation by all means for a brighter future for all. Thanking you.

Best Regards.

There was no significant variance between the quarterly and Annual Financial Statement.

Fairness of Financial Statements

The Directors are responsible for the governance of the Company, and in that capacity, the Directors confirm, to the best of their knowledge that–

- I. the financial statements, prepared by the Management of the Company, present fairly its state of affairs, the result of its operations, cash flows and changes in equity;
- II. proper books of account of the Company have been maintained;
- III. appropriate accounting policies have been consistently applied in preparation of the financial statements and that the accounting estimates are based on reasonable and prudent judgments;
- IV. the Bangladesh Accounting Standards, BFRS, IAS, IFRS, The Companies ACT 1994, Bangladesh Securities and Exchange Commission rules and regulation, and other applicable laws and regulations have been followed in preparation of the financial statements;
- V. the system of internal control is sound in design and has been effectively implemented and monitored;
- VI. there is no doubt, whatsoever, upon the Company's ability to continue as a going concern.

Maintenance of Proper Books of Accounts:

The Directors endeavour to ensure that the company maintains sufficient records to be able to disclose, with reasonable accuracy, the financial position of the company and to be able to ensure that the financial statements of the company meet the requirements of the Companies Act, Bangladesh Accounting Standards, and the regulations of the Dhaka/Chittagong Stock Exchanges Ltd.

The system of internal control is robust in design and has been effectively implemented and monitored by Internal Audit Team and also reviewed by Audit Committee.

Ability to Continue as going concern:

As per BAS-1 paragraph 26 'In assessing whether the going concern assumption is appropriate, management takes into account all available information about the future, which is at least, but is not limited to, twelve months from the end of the reporting period. The degree of consideration depends on the facts in each case. When an entity has a history of profitable operations and ready access to financial resources, the entity may reach a conclusion that the going concern basis of accounting is appropriate without detailed analysis. In other cases, management may need to consider a wide range of factors relating to current and expected profitability, debt repayment schedules and potential sources of replacement financing before it can satisfy itself that the going concern basis is appropriate.

On the above circumstances, it can be said that there is no doubt that the company has the ability to continue as going concern.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Bangladesh Financial Reporting Standards (BFRS), Bangladesh Accounting Standards (BASs), the companies Act 1994, Securities and Exchange Rules 1987 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing (BSAs). Those standards require that we comply with relevant ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Basis of Opinion:

We have conducted the audit in accordance with Bangladesh Standards on Auditing (BSA) and accordingly we have obtained reasonable assurance about whether the Financial Statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amount and disclosures in the Financial Statement, An audit includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of the financial statement.

We believe that our audit provides a reasonable basis for our opinion.

Opinion:

In our opinion, the financial statements prepared in accordance with Bangladesh Accounting Standards (BASs), Bangladesh Financial Reporting Standards (BFRSs) give a true fair view of the state of the affairs of the company as at 30 June 2017 and of the results of its operations and its Cash flows for the years then ended and comply with the requirements of the Companies Act 1994, the Securities and Exchanges Rules 1987 and other applicable laws and regulations.

We further report that:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the company so far as it appeared from our examination of these books;
- c) the company's statement of financial position and statements of Profit or Loss and other Comprehensive Income dealt with by the report are in agreement with the books of account; and
- d) The expenditure incurred was for the purposes of the company's business.

36.00 Financial Risk Management

The management of company has overall for the establishment and oversight of the company's risk management framework. Risk management policies, procedures and systems are reviewed regularly to reflect changes in market conditions and the company's activities. The company has exposure to the following risk for its use of financial instruments.

Credit Risk

Liquidity Risk

Market Risk

Credit Risk

Credit risk is the risk of a financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the company's receivables. Management has a credit policy in place that are controlled and monitored in accordance with terms and conditions prescribed in export letter of credit. As at 30th June 2016 the entire part of the receivables are related to export of goods and subject to insignificant credit risk. Risk exposures from other financial assets, i.e. Cash at bank and other external receivables are nominal.

Liquidity Risk

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they fall due. The company's approach in managing liquidity (cash and cash equivalents) is to ensure as far as possible, that it will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions without incurring unacceptable losses or risking damage to the company's reputation. Typically, the company ensures that it has sufficient cash and cash equivalent to meet expected operational expenses including financial obligation through preparation of the cash flow forecast with due consideration of time line of payment of the financial obligation and accordingly arrange for sufficient liquidity/fund to make the expected payment within due date. In extreme stressed conditions the company may get support from the related company in the form of short term financing.

Market Risk

Market risk is the risk that any changes in market prices such as foreign exchange rates and interest will affect the company's income or the value of its holdings financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters.

(a) Currency risk

The company is exposed to currency risk on certain revenues and purchases such as revenue from foreign customers and import of raw materials, machineries and equipment. Majority of the company's foreign currency transactions are denominated in USD and relate to procurement of raw materials, machineries and equipment from abroad.

(b) Interest rate risk

Interest rate risk is the risk that arises due to changes in interest rates on borrowing. The foreign currency loan is subject to floating rates of interest. Local loans are, however, not significantly affected by fluctuations in interest rate risk . The company has not entered into any type of derivative instrument in order to hedge interest rate risk as at the reporting date.

37.00 Authorization for issue

The financial statements were authorized for issue by the Board of Directors of the company on October 29, 2017.
